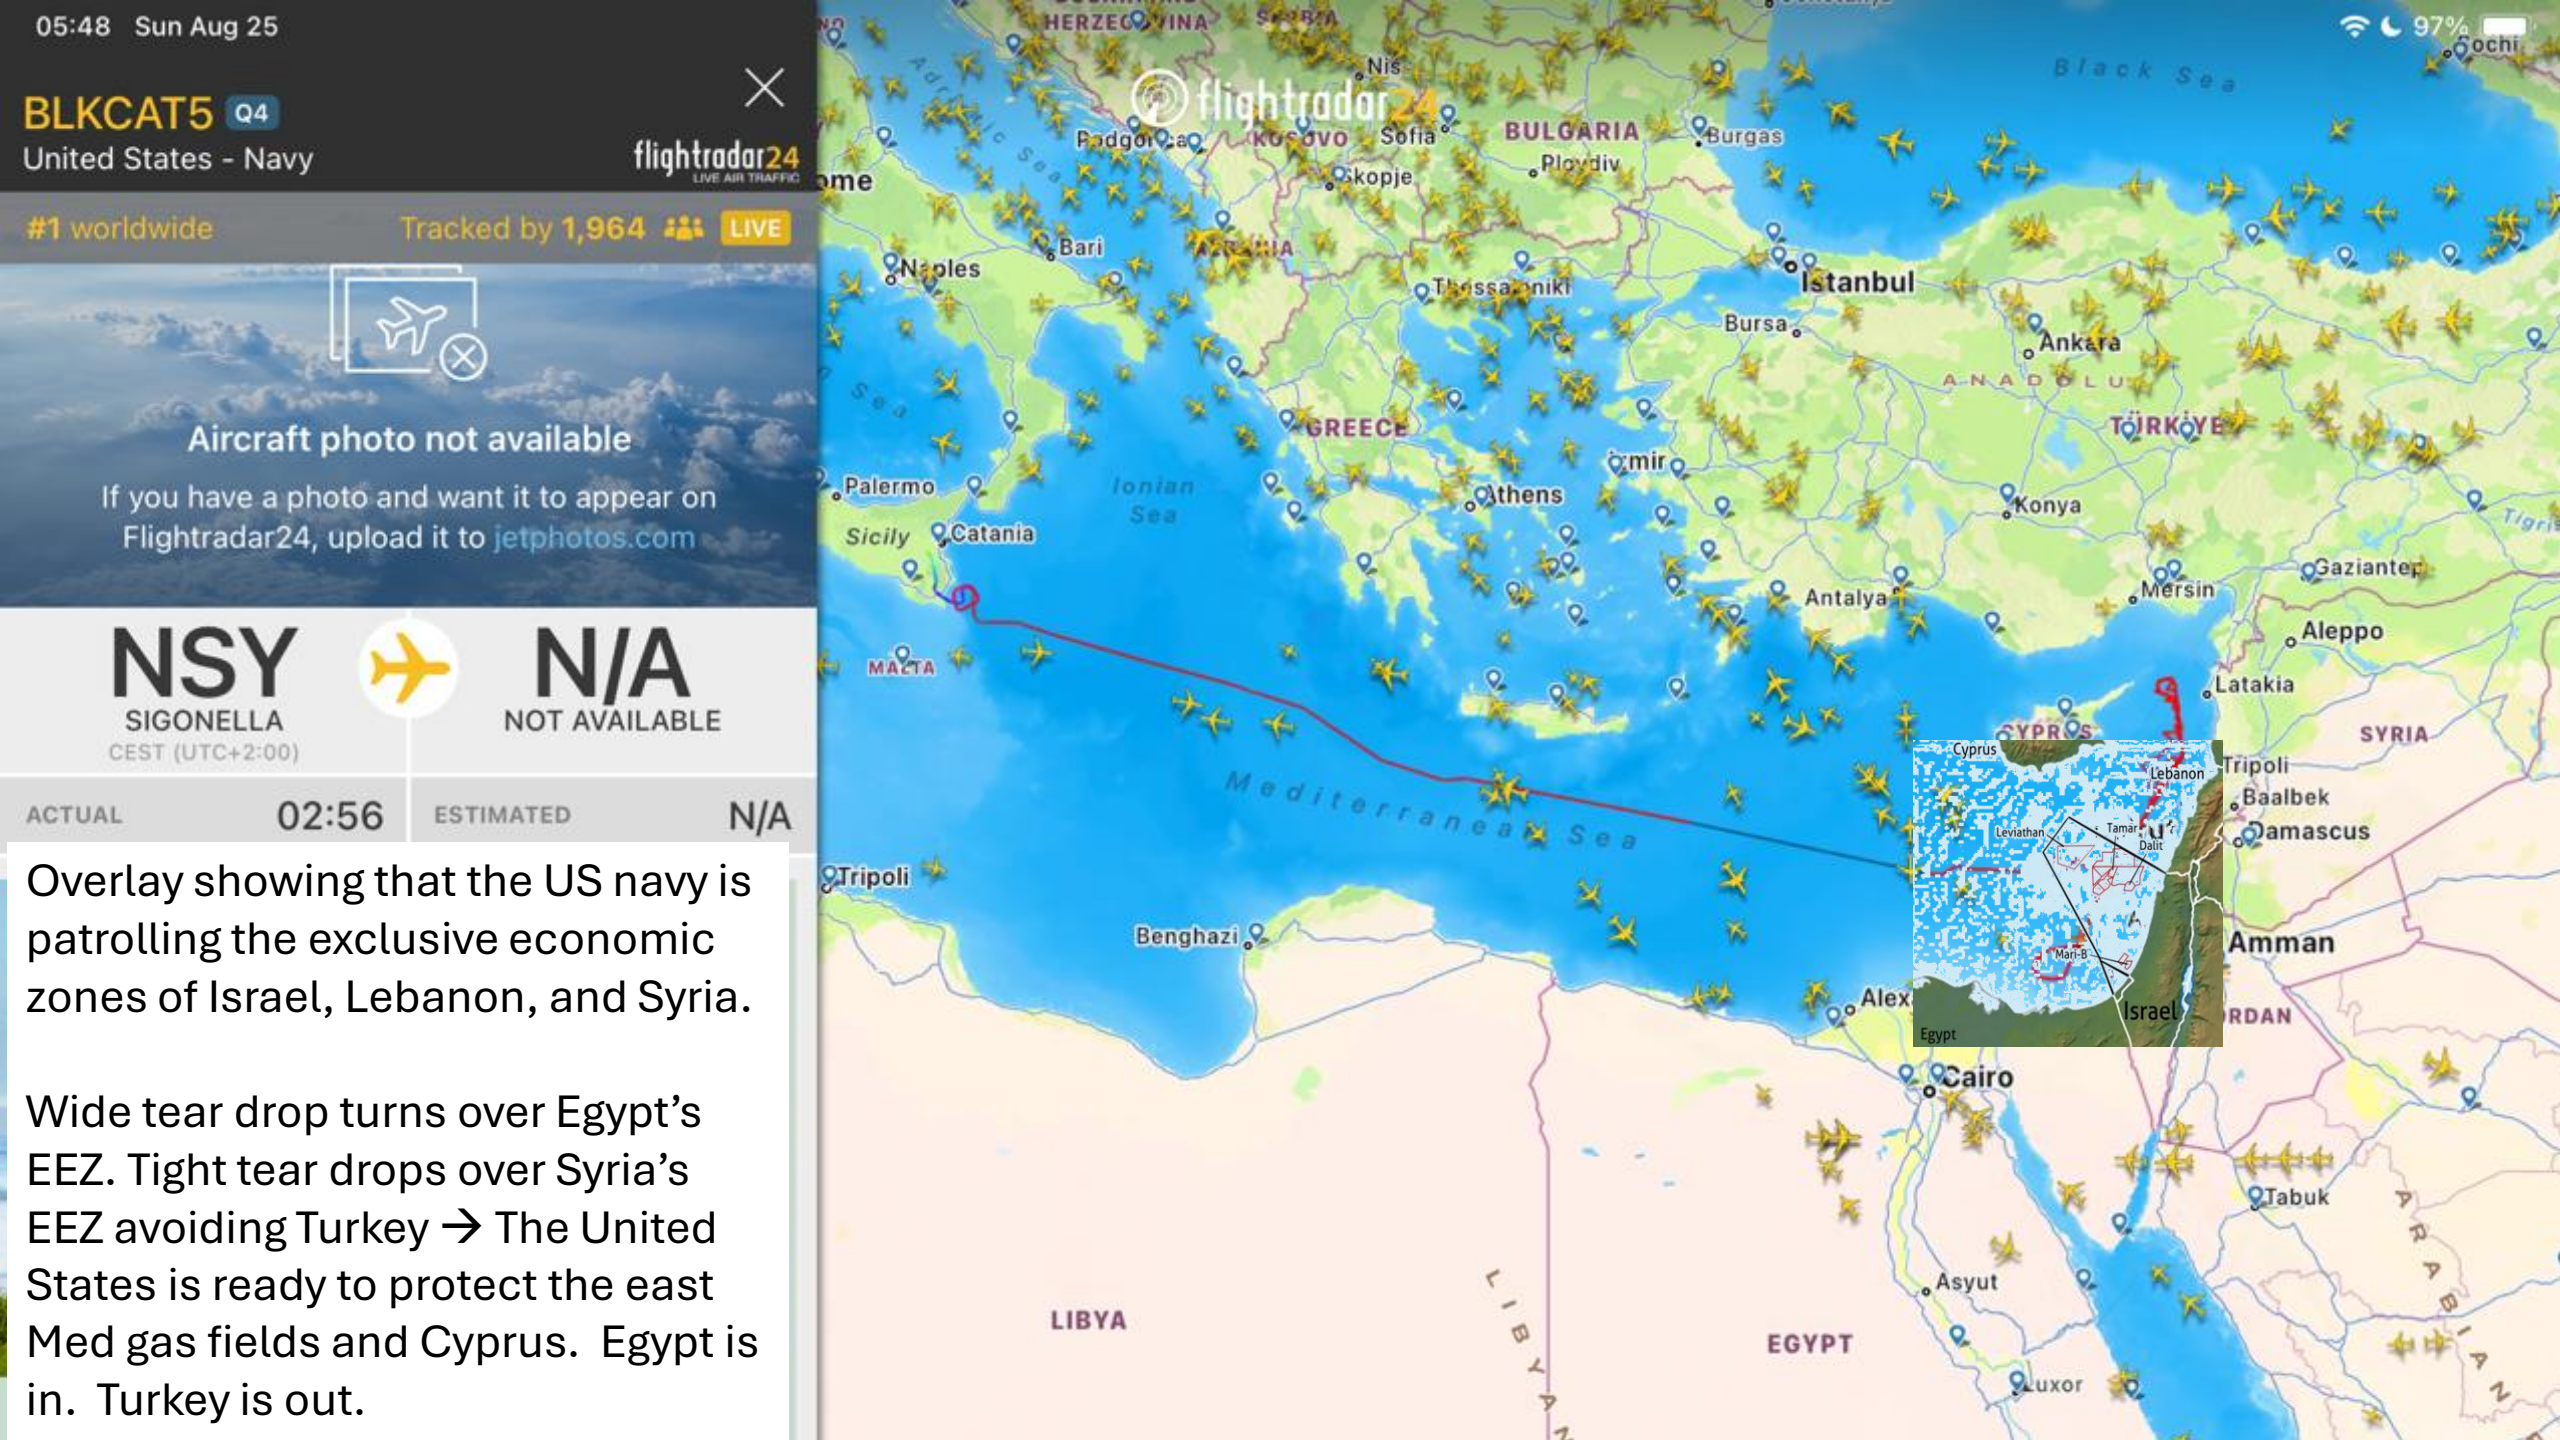
Naval Air Station Sigonella

Base aerea di Sigonella

Lentini, Sicily, Italy in Italy

A C-5 Galaxy of the US Air Force at NAS Sigonella, against the backdrop of nearby Mount Etna



Overlay showing that the US navy is patrolling the exclusive economic zones of Israel, Lebanon, and Syria.

Wide tear drop turns over Egypt's EEZ. Tight tear drops over Syria's EEZ avoiding Turkey → The United States is ready to protect the east Med gas fields and Cyprus. Egypt is in. Turkey is out.
